

AT2000R Tracer Module

User Manual

DESCRIPTION

AT2000R is a tracer module and can be used with silencer. As long as silencer's internal space is able to accommodate the AT2000R module, the AT2000R module can be installed into silencer, which makes silencer become a tracer unit.

AT2000R module is equipped with infrared sensors at its both ends, which can detect airsoft pellets. User can install AT2000R module into the silencer in any direction according to user's preference and the appearance of silencer.

Before installing, the inner sponge and spring must be removed from the silencer.

If the diameter of silencer's inner aperture is longer than of AT2000R module's, please insert O-rings or round bushings inside the silencer to hold the AT2000R modules to be coaxial with the silencer.

If AT2000R modules is not coaxial with the silencer, airsoft pellets may mishit the internal tube of the AT2000R module and damage the internal components and structures.

Automatic switching off in following conditions:

- A. Device has idled for 40 minutes
- B. When the battery level is low, and after the power indicator blinks in red color for 3 seconds, device is turned off.

Battery level indication

- A. Green light: high power
- B. Orange light: medium power
- C. Red light: low power

Do not disassemble the AT2000R module to prevent high voltage electrical shot.

AT2000R is equipped with a 10440 Li-ion battery. User shall recharge the battery at least once in 2 months under any circumstances. Li-ion battery life span can be shortened or damaged with long storage period without recharging. Battery is not warranted if it's not properly recharged.

Do not look straight to the muzzle to check the installation of the device to prevent any accident from misfiring.

SPECIFICATIONS

Support green and red tracer BBs
Support up to 35 PRS, no light decaying, missing lighting
10440 Li-ion 3.7V battery (included)
Led power indicator / battery power indicator
FCC, CE, ROHS compliant

Accessories:

10440 Li-ion battery x 1(Warranty for 3 month)
Micro-USB charging cable x 1

Dimension:

Diameter: 32.4 mm, length: 68mm
Weight: 36g (with 10440 battery)
